Room Measurement Guide

Five minutes with a tape measure saves weeks of back-and-forth. Fill this in, snap a photo of the page and the room, and send both to **hello@luxuryyourself.com** or text **(909) 515-9481**. We'll check fit, power, and delivery for your exact models before you pay anything.

1. The room

Room type	☐ Spare bedroom ☐ Home gym ☐ Office ☐ Other: _____
Floor size (length × width)	_____ ft × _____ ft
Ceiling height	_____ ft
Floor type	☐ Carpet ☐ Wood / tile ☐ Concrete

2. The red light panel

Wall or floor space for the panel (width × height)	_____ in × _____ in
Open floor in front of it to stand or sit	_____ ft
Mount style you prefer	☐ Wall ☐ Door ☐ Floor stand ☐ Not sure

For reference: the RedDot 1500 panel is about 36 × 12 in, and the RedDot 3000 is about 59 × 16.5 in.

3. The massage chair

Floor space where the chair will sit (width × depth)	_____ in × _____ in
Space behind that spot to the wall	_____ in
Space in front for the leg rest to extend	_____ in

Chairs need room behind and in front to recline fully. We confirm the exact upright, reclined, and boxed

dimensions for your model with the manufacturer.
